**Stand up for Quality Education ~ Support All Students ~ Save Our Schools!**

**NCLB needs to be ELIMINATED!**

#### NCLB:

- **Violates** the US Constitution.
- **Does not foster** great public schools in America.
- **Does not build** a strong foundation for our democracy.
- **Does not serve** the needs of students, and does not provide quality, sound, and excellent educational opportunities.
- **Is not scientifically based** nor does it follow the US Government's own data on learning.
- **Fosters coercion** over cooperation with regards to federal funding for public education.
- **Supports complicity** of corporate interests rather than democracy based on public concerns.

Please join Concerned Educators, Board Members, Parents, Students, Community Members and pressure your Congressional Representatives to do the right thing & Eliminate NCLB.
